HITCHMOUNT

This Hitch mount is designed to be compatible with most vehicles with 2" / 50mm hitch receiver. It comes with a lock in bolt intended to lock the hitch mount on the tow bar and remove play to ensure stability.

- Material: Aluminum
- Finish: Black Powder coated
- Bolt: 20mm long (extra support)
- Diameter of hole for bolt: 8mm

This picture is an example of use. The eXterrain SDSMount brackets are attached to eXterrain Raven Light Bar series.

Please note: eXterrain's hitch mount is universal and can be used for any light. It is ideally suited for the RAVEN350 and up.

Bar light and Slide brackets
sold separately:
not included.
